2. It is excluded any other expenses which does not belong exclusively to the trailer repair as travel expenses, cranes, examinations, etc. in the workshop assigned by ROJO TRAILER.
3. It is exclusive competence of ROJO TRAILER accepting the warranty claim and to assign the workshop where it will be executed.
4. The warranty beneficiary will not obtain any replacement vehicle loan while the repair under warranty is getting done. Also, the costs of having the vehicle stopped for repair are excluded.
5. The elements incorporated to the trailer as the axles, suspensions, EBS, tyres, etc. are warranted by the conditions of its manufacturing company. This warranty cannot be less to the warranty provided by ROJO TRAILER.

Exclusions and limitations:

1. The warranty does not cover any break downs or malfunctionsgenerated by third parties or by external forces. Also it does not cover any accidents or damages because of an inappropriate use, the driver inexperience or the failure to follow the instructions detailed in our Usage Manual. This warranty is neither effective when it is submitted to surcharges or to an improper effort of the trailer.
2. The warranty does not include parts submitted to a normal wearing out, as brake pads, disks, drum brakes, dampers, suspension springs, brake cylinders, lamps, retainers, sleeves and, generally, every component that is suitable for wearing outs when the vehicle is used.
3. The warranty does not cover any damages over paint due to any hits, scratchings, frictions, damages because of gravel, road salt, acid, detergents, dissolvent, steam cleaning or any other product that could accelerate the chalking.
4. The warranty does not cover any vehicle modified by third parties, without ROJO TRAILER express authorization. Also, any damages occurred or related with added parts not supplied and accepted by ROJO TRAILER with written confirmation.
5. This warranty will be invalid if the inspections included on the Usage Manual supplied are not done. These revisions will always be on behalf of this warranty beneficiary.
6. Repairs and fixings made over the trailer in a different country as where the vehicle was bought; it will be initially paid by customer or the beneficiary of this warranty. On a next step the invoice and the replaced parts will be sent to ROJO to examine and accept it. In case it is accepted, it will be conceded a full or partial warranty, under the conditions settled in the country of origin, and applying their current tariffs.
